Hi Ron + Kris - We have greatly enjoyed our stay here! This was our first time coming to Lincoln in the winter. It's beautiful!

We took the kids snow tubing + sledding 2 different days at KANC Rec area.

C + M went downhill skiing at Bretton Woods + used free beginner's quad + lift. M loved it!

We all Cross-country skied at Bear Notch yesterday + had a gorgeous day. Great place!

We went swimming every day + had it basically to ourselves for most of the week.

This is a wonderful place + I'm sure will be back! We're headed back to MA tonight to beat what could become known as The Blizzard of 2013!

Don & Iris,

Your condo was a most welcome place to stay for a few days. You have a great unit, well equipped, at a wonderful facility. I had friends with whom I skied who were in for lunch, and others for dinner, mid-week. The snowfall on Tuesday made it an extraordinary time to be on the slopes at Loon.

The photo on your wall of a Church steeple, with Cannon Mountain in the background, is of Our Lady of the Snows Church in Franconia, the Mission Church of St. Rose of Lima in Littleton, where I was assigned over the last six years. The rest of the prints & photos add a nice homey touch to life here in the White Mountains.

God Bless!

Maureen

Thank you Ron + Iris for letting us use the condo for the week. We really enjoyed ourselves. It was our first family visit. We visited Franconia Notch Park, the Polar Bear Caves (very cool) and Clark's Trading post (our family fav.) We even squeezed in a visit to Funspot in Laconia on a rainy day. Everything was perfect, we just wish Lincoln offered more dinner out options!!

Thanks Again, we will
be sure to visit again soon!

This is probably the 3rd or 4th time being here. My parents Kurt & Sheila come every year. But this year was one of the best and most memorable. This is the 1st year my boyfriend Scott came on a family vacation. Our first day here we went to Loon Mountain, the Church area at top of the mountain there was a ceremony going on cause it was Sunday. Me & my nephews went climbing through the cave area, waiting to take pictures. Once we were finished in the caves we came back to the Church area. Me and Scott went down to the bottom to just take some pictures. As soon as ~~we~~ I thought we were done, I turned back and looked down to see Scott on one knee...

He asked me to marry him in basically my favorite spot in New Hampshire. I said ~~Yes~~ Yes and now will be returning to Rhode Island Engaged. I will never forget this trip! With out a doubt one of the best vacations ever. We spent 3 days here and I will never forget any of it. Thank you so much for letting us enjoy this room. We hope to come back next year for another awesome vacation. Thanks again,

- Brittany Wise & The Wise family!

We have had a wonderful time exploring all that Lincoln and surrounding areas have to offer.

In each area we have visited on this trip we have met such helpful and friendly people. Our special highlights here were the drive to the top of Mt. Washington and "My Way" a tribute to Frank Sinatra, including 57 songs, at 'Jeans Playhouse' which is an absolute treasure.

The beautiful view from our windows at 305 capped things off perfectly.

Kind Regards,

Dear Ron and Iris,

We had a wonderful weekend in your condo! The Kids enjoyed the pool and sitting in the "great room" playing games by the fire. I wish I had taken a picture of their faces when the murphy bed came down! ☺ We enjoyed a magical evening on the "Polar Express" - what a night to remember.

Dinner at Woodstock Station was great. Lunch at Elvios Pizza and a stop for candy at the store next door was a hit with the Kids.

Our thanks for a truly special weekend for our family.

Merry Christmas!

Dear Ron & Mrs —

We come to Lincoln multiple times each year but this is the first at your wonderful rental. With two little girls, the layout is perfect! And the Rivergreen is very nice.

We went on the Polar Express, to Santa's Village and skiing at Bretton Woods with our oldest daughter (4.). The learning area there is free for everyone, which is great! Most places, the adult still has to pay, not at the "Woods"!

Your place is great and we enjoyed ourselves very much!

Have a Merry Christmas and a Happy New Year!
